

Bluefaced Leicester ram and his daughters, two Mule ewe lambs.
A Mule is the offspring of a Bluefaced Leicester ram and a Hill breed ewe.
Many Mules have distinctive black or brown spotting on their faces and legs.

BFL x Scottish Blackface = Scottish Mule, or Scotch Mule

BFL x Swaledale = North of England Mule

BFL x Clun Forest = Clun Mule

BFL x Cheviot = Cheviot Mule

BFL x Welsh Mountain = Welsh Mule
